

# ONLINE MEMBER MEETING

## Green Finance and Sustainability in Banking

Tuesday 20 October at 16:00 CET

Panel Discussion:

### GREEN FINANCE AND SUSTAINABILITY IN BANKING

- We all know about sustainable investments, but how can banks use savings to increase sustainability?
- What concrete tactics can the financial services sector take to increase the share of customers interested in sustainability?
- Walking the walk: how is your company addressing sustainability in its actions?

With:

- **Tomi Hakari**, Product Development, **Nordea**
- **Helena Mueller**, Co-Founder & Head of Åland Index Solution, **Doconomy**
- **Inas Nureldin**, CEO and Founder, **Tomorrow**

Moderated by:

**Maurizio Poletto**, Appointed Chief Platform Officer, **Erste Group Bank**

17:15 CET Closing Words
